Updated June 2018

Offering Amazing Results Since 2006

We truly appreciate your business and loyalty these past 12 years!

Appointment Policy

Arriving late will deprive you of valuable treatment time. To avoid delaying the next client, your treatment will end on time and you will be responsible for the full treatment cost. While we will make every effort to perform your entire treatment in the remaining scheduled time, we reserve the right to reschedule your appointment if we feel there is not enough time to give you quality treatment and not keep other clients waiting. Arriving more than 15 minutes late may result in cancellation of your appointment and the \$35 cancellation fee.

We encourage you to schedule at least two weeks in advance or upon checkout of a current service to reserve the most convenient time for your schedule.

Cancellation Policy - As of June 1st, 2018

Treatment Outcomes

We will be honest in all our dealings with you as our trusted client. Aesthetics is not an exact science and how you may respond to a given treatment will vary from person to person. It is virtually impossible to predict results and therefore payments made for services are for

treatments to be performed – not for a specific result. However, we always strive to achieve the absolute best result that we can for you. Thank you for allowing us to serve you!

Personal Belongings

Personal belongings are the full responsibility of the spa guest and should be kept in your possession at all times. Radiance Medspa is not responsible for lost or damaged items.

Practice-Patient Relationship

We love our clients but sometimes we have to reserve the right to refuse service at any time, to anyone, for any reason.

Full Disclosure

Our #1 goal is for you to be happy with our service and to love the results you achieve. We believe in full disclosure, which means we strive to ensure that you understand the treatments you receive and the risks and benefits associated with each of them. With this in mind, please be assured that our team will only recommend treatments and products that will benefit you specifically, and which are medically appropriate for you. If you have any questions, at any time, please ask! We are here to help!
